

**ŠKODA**  
SIMPLY CLEVER

**ŠKODA CYCLING  
COLLECTION 2018**

## DEAR CYCLING FRIENDS,

Passion for bicycles stood behind the establishment of our company in 1895. And although more than 120 years have passed ever since, our enchantment with the “world of two wheels” is still as strong as then. Our new products and innovations for the 2017 season show that clearly.

Our urban retro bicycles represent the perfect combination of brand's heritage and modern technology. While their design is reminiscent of the legendary Slavia bicycles as manufactured by Laurin and Klement, their modern equipment will satisfy the requirements of the discerning cyclists of today. A great choice for everyone who is not indifferent to style, health and ultimately the environment.

And we haven't forgotten about modern technology freaks, either. Ready to hit the track, eBike, our line of electric cross bikes, features a 250W engine and three assistance modes – the highest one is designed to add as much as 230% to the user's performance.

Minor and major upgrades have also been made to our portfolio of traditional bikes and accessories, from the Road Elite (carbon road bike), series of 29-inch MTBs to the couple of popular bikes for children (Kid 16 and 20).

All these bicycles are available via ŠKODA dealer network and ŠKODA E-shop.

We wish you loads of positive energy on every trip you make on ŠKODA bikes!

## GENUINE STYLE

# VOITURETTE

It is not just an ordinary bike. It is rather a statement about your attitude to style and life.

The Voiturette bicycle features a 22-inch **trusty steel frame**, **comfort tyres** with a high profile and an extraordinarily comfortable saddle. It is supplied to customers as a **minimalist 'café racer'** – or 'stripped down' – for trips to social occasions. Just attach the included high-performance mudguards and the Voiturette turns into a dignified means of transportation fit for commuting to your office.

**Weight** 15.5 kg  
**Frame** Steel  
**Fork** Steel  
**Cranks** Aluminium, 38T M-Wave  
**Front hub** Aluminium, 36 holes  
**Rear hub** Shimano Nexus Inter 7  
**Gears** 7

**Front brake** Shimano  
**Rear brake** Coaster brake  
**Tyres** Beige Schwalbe Road Cruiser, reflex stripe, anti-puncture protection  
**Saddle** Selle Monte Grappa Thunder Light (brown artificial leather)  
**Size** 21" (530 mm), 22" (560 mm)

Visas cenas norādītas ar PVN.  
Cenas var tikt mainītas bez iepriekšēja brīdinājuma.

Order number:

000 050 212C (22" frame) 1104 EUR

000 050 212D (21" frame) 1104 EUR

The bicycle is delivered with pedals, mudguards and a stand.

# CITY

Dignified at any speed. The City is an aristocrat among ŠKODA bicycles.

The City's timeless elegance will stand out in old city centres, while acting as an impressive counterpoint to the minimalist architecture of modern office districts.

The 21-inch frame thoughtfully formed for ease of getting on, comfort tyres with a high profile and an exceptionally comfortable saddle make for the smooth city ride. Gears are shifted using a 7-gear Nexus hub with internal gears and a coaster brake.

Weight 16 kg  
Frame Steel  
Fork Steel  
Cranks Aluminium, 38T M-Wave  
Front hub Aluminium, 36 holes  
Rear hub Shimano Nexus Inter 7  
Gears 7

Front brake Shimano  
Rear brake Coaster brake  
Tyres Beige Schwalbe Road Cruiser, reflex stripe, anti-puncture protection  
Saddle Selle Monte Grappa Swan (brown artificial leather)  
Size 21" (530 mm)

Order number:

000 050 212A (21" frame) 1070 EUR

The bicycle is delivered with pedals, mudguards, integral lock, LED lighting and a stand.

Visas cenas norādītas ar PVN.  
Cenas var tikt mainītas bez iepriekšēja brīdinājuma.

# CITY LADY

The perfect match for ladies seeking a stylish means of transport for everyday commuting, Saturday bike trips to farmers' markets and Sunday rides down the promenade.

A comfortable cruise through city streets – that was the concept behind the design of this bike, including the selection of the respective components. The 19-inch frame thoughtfully formed for ease of getting on, **comfort tyres with a high profile** and an exceptionally comfortable saddle. Gears are shifted using a 7-gear Nexus hub with internal gears and a coaster brake. The bicycle equipment includes a massive rear fork lock and retro-styled front and rear lamps.

Weight 16 kg  
Frame Steel  
Fork Steel  
Cranks Aluminium, 38T M-Wave  
Front hub Aluminium, 36 holes  
Rear hub Shimano Nexus Inter 7  
Gears 7

Front brake Shimano  
Rear brake Coaster brake  
Tyres Beige Schwalbe Road Cruiser, reflex stripe, anti-puncture protection  
Saddle Selle Monte Grappa Swan (brown artificial leather)  
Size 19" (480 mm)

Order number:

000 050 212B (19" frame) 1070 EUR

The bicycle is delivered with pedals, mudguards, integral lock, LED lighting and a stand.

Visas cenas norādītas ar PVN.  
Cenas var tikt mainītas bez iepriekšēja brīdinājuma.

# STRETCHGO

The StretchGO folding bike is like a smartly designed car. Extremely compact on the outside while offering a lot of comfort for tall people. Simply a perfect member of the ŠKODA family.

StretchGO was developed using **modern materials** featuring an excellent weight-to-strength ratio. The short frame and **high seating position** ensure surprising manoeuvrability and a perfect overview in crowded city streets. Just a few touches in the right spots turn this full-scale means of transportation into a compact "parcel". It can be stored conveniently **in the car's luggage compartment** without greatly limiting the capacity for other luggage. Combining the high-profile comfort tyres, a comfortable saddle and a 7-gear Nexus hub, the ŠKODA StretchGO is predestined to become the uncrowned king of the urban cycling jungle.

**Weight** 12.5 kg  
**Frame** Aluminium 6061, folding  
**Fork** Aluminium 6061  
**Cranks** Black anodised aluminium, 52T  
**Front hub** Aluminium, 36 holes  
**Rear hub** Shimano Nexus Inter 7  
**Gears** 7

**Front brake** Shimano  
**Rear brake** Shimano  
**Tyres** Black Schwalbe Road Cruiser, reflex stripe, anti-puncture protection  
**Saddle** Selle Monte Grappa Thunder Light (black artificial leather)  
**Size** One frame size

Order number:

000 050 212E (one frame size) 1195 EUR

Visas cenas norādītas ar PVN.  
Cenas var tikt mainītas bez iepriekšēja brīdinājuma.

The bicycle is delivered with pedals.

# EBIKE

Regardless of your age or physical condition, ŠKODA e-Bike will help you to manage more kilometres, steeper slopes and shorter times.

ŠKODA eBike combines immaculate design with **advanced technologies** – all that in a highly user-friendly format. Whenever you hit the track to get new adventures and fun, eBike's Shimano STePS electric drive will be ready to help out with all of its 250 W/50 Nm up to a **speed of 25 km/h**. The system works in three modes: eco (approx. 70% support), normal (approx. 150% support) and high (approx. **230% support**); it can also be deactivated completely. Optional is also a mode WALK, assistance support while walking. The aluminium frame in a pure, hi-tech style carries a compact and lightweight Shimano DU-E60001 **electric motor** drawing on energy from a 11.6 Ah/418 Wh battery.

**Weight** 17.4 kg + 2.7 kg battery  
Frame Aluminium 6061.T6 STePS-45° Down tube battery  
Fork Alloy rigid Superlight  
Crank Shimano STePS 44T  
Front hub Shimano HH-TX505 CL QR  
Rear hub Shimano FH-TX505-8CL QR  
Derailleur Shimano Deore M591 SGS

Gears 9  
Front brake Hydraulic disk brake Rotor CL 160  
Rear brake Hydraulic disk brake Rotor CL 160  
Tyres Marathon Supreme Race  
Saddle Selle Royal Look in Athletic  
Size L (19" / 483 mm),  
XL (21.5" / 560 mm)

Order number:

000 050 212G (19" frame) 4116 EUR

000 050 212H (21.5" frame) 4116 EUR

The bicycle is delivered with pedals and a stand.

Visas cenas norādītas ar PVN.  
Cenas var tikt mainītas bez iepriekšēja brīdinājuma.

# EBIKE LADY

The electric cross bike from the ŠKODA collection is your partner for tackling challenges on the road and in light terrain.

It takes less effort to be a more self-confident cyclist with the ŠKODA eBike Lady. Advanced Shimano STePS electric drive is here to support your performance in **three assist-level modes**: eco (approx. 70% support), normal (approx. 150% support) and high (approx. 230% support). If you are up to make it on your very own, **you can deactivate it** completely. Optional is also a mode WALK, assistance support while walking. The aluminium frame in a pure, hi-tech style carries a compact and lightweight Shimano DU-E60001 electric motor drawing on energy from a 11.6 Ah/418 Wh battery.

**Weight** 17.4 kg + 2.7 kg battery  
**Frame** Aluminium 6061.T6 STePS-45° Down tube battery  
**Fork** Alloy rigid Superlight  
**Cranks** Shimano STePS 44T  
**Front hub** Shimano HN-TX505 CL QR  
**Rear hub** Shimano FH-TX505-8CL QR  
**Derailleur** Shimano Deore M591 SGS

**Gears** 9  
**Front brake** Hydraulic disk brake Rotor CL 160  
**Rear brake** Hydraulic disk brake Rotor CL 160

**Saddle** Selle Royal Look in Athletic  
**Size** S (16.5" / 420 mm),  
L (18" / 460 mm)

Order number:

000 050 212J (16.5" frame) 4116 EUR

000 050 212K (18" frame) 4116 EUR

The bicycle is delivered with pedals and a stand.

Visas cenas norādītas ar PVN.  
Cenas var tikt mainītas bez iepriekšēja brīdinājuma.

# ROAD ELITE

The less it weights the more it performs. Built around an advanced carbon frame, this bicycle is a real road elite.

The ŠKODA Road Elite road bike is built around the **Carbon Road Race CRB frame** which features extraordinary resilience. The Shimano brakes represent a wager on a sure thing. Many clever solutions were utilised when designing this bicycle to maximise its performance and make both its **service and maintenance easier**. The massive central area allows for achieving the highest possible resilience and **perfect transfer of the pedalling energy**. Twenty two transmission gears are enough to overcome any track profile.

**Weight** 7.9 kg  
Frame Carbon Road Race CRB BF-RB03  
Fork Full Carbon UD  
Crank Shimano Ultegra 6800 50/34T  
Front hub DT Swiss R32 Spline  
Rear hub DT Swiss R32 Spline  
Derailleurs Shimano Ultegra 6800

Gears 2 × 11  
Front brake Hydraulic disk brake Rotor CL 140  
Rear brake Hydraulic disk brake Rotor CL 140  
Tyres Schwalbe Durano  
Saddle Fizik Antares R5  
Size S (20" / 520 mm), M (21" / 540 mm),  
L (22" / 560 mm), XL (23" / 580 mm)

Road is what matters | Road Elite

# ROAD

Just focus on the front wheel spinning straight ahead while feeling your body break through the air barrier... For the Road is what really matters.

The ŠKODA Road bicycle is great for trips on metalled roads. The frame geometry was designed with emphasis on maximising the energy transfer effectiveness and great handling even on the hardest tracks. The carbon fork offers high torsion resilience and the ability to absorb vibration while retaining minimal weight. The result is precise handling and high comfort even on a lower-quality surface.

Weight 9.6 kg  
Frame Carbon ALU Road Race CRB  
Fork Carbon UD  
Crank Shimano Sora R345 50/34  
Front hub ONE KT QR  
Rear hub ONE KT Sport Light QR  
Derailleurs Shimano Sora R3000

Gears 2 × 9  
Front brake Tektro R312  
Rear brake Tektro R312  
Tyres Schwalbe Lugano  
Saddle Selle Royal Seta Performa  
Size S (20" / 520 mm), M (21" / 540 mm),  
L (22" / 560 mm), XL (23" / 580 mm)

Order number:

000 050 214AA (20" frame) 1646 EUR

Cenas var tikt mainītas bez iepriekšēja brīdinājuma.

# MTB 29 FULL

Get on ŠKODA's fully-sprung 29-inch mountain bike to discover the full potential of your off- oading skills!

Roots, stones, the ground soaked with water... the benefits of the fully-sprung frame **stand out most on challenging trails**. The springing evens out the terrain roughness and keeps the rear tyre casing in **continuous contact with the ground**. Add the fact that you can remain sitting, and the benefits are obvious: **at the end of your trip you will feel a lot fresher** than you would on a fixed frame. Thanks to its 22 transmission gears, everyone can set the optimal speed according to the track profile and their current fitness.

**Weight** 11.9 kg  
**Frame** Carbon-Alu 6061 Ultralite  
**Fork** Rock Shox Reba RL Tapered, remote LO  
**Cranks** Shimano FC-MT700 Boost Hollowtech II 36/26T  
**Front hub** Shimano HB-M618-B, Boost CL  
**Rear hub** Shimano FH-M618-B, Boost CL  
**Derailleurs** Shimano XT M8020 E-type / XT M8000 GS Shadow Plus

**Gears** 2 × 11  
**Front brake** Hydraulic disc Rotor CL 180 mm  
**Rear brake** Hydraulic disc Rotor CL 160 mm  
**Tyres** Schwalbe Racing Ralph Performance  
**Saddle** Fizik Nisene XS MG  
**Size** S (15.5" / 395 mm), M (17.5" / 445 mm), L (19" / 480 mm)

Go for an adventure! | MTB 29 Full 23

# MTB 29

With its high-end frame geometry, the ŠKODA MTB 29 mountain bike ensures outstanding dexterity and handling, nullifying the handicap of some of its 29-inch competition.

Even if you are not planning on using it for racing, you will surely appreciate the pedalling energy transfer into the forward movement. Its more upright sitting position and **comfort-oriented frame** prevent back pain. Unpleasant vibrations are taken care of by its carefully sprung suspension. A cyclist can last very long in a comfortable seat. The big wheels have an **easier time overcoming uneven terrain** while the larger contact surface of the tyre casings bring better mesh without slipping. The total of **27 gears** allow you to choose the right gear so that everyone can enjoy trips outdoors.

**Weight** 14.1 kg  
**Frame** Aluminium 6061.T6 double butted  
**Fork** SR Suntour XCR Air RL-R  
**Cranks** Shimano FC-M4000 40/30/22T  
**Front hub** Shimano HB-TX505 CL QR  
**Rear hub** Shimano HB-TX505-8 CL QR  
**Derailleurs** Shimano Acera M3000 / Deore M592 SGS Shadow

**Gears** 3 × 9  
**Front brake** Hydraulic disc Rotor CL 180 mm  
**Rear brake** Hydraulic disc Rotor CL 160 mm  
**Tyres** Schwalbe Smart Sam  
**Saddle** Selle Royal Seta M1  
**Size** M (18" / 460 mm), L (20" / 510 mm), XL (22" / 560 mm)

# MTB LADY

Attractive design, sophisticated ergonomics, well-tried technology and powerful brakes. MTB Lady is a partner every woman can rely on in off-road conditions.

When you ask women what they expect of a mountain bike, the list of their requirements and wishes will be very close to the list of highlights characterising our MTB Lady. The most significant feature is its lowered frame pipe that allows for more convenient and safer getting on and off of the bicycle. Thanks to the wider handlebar, the cyclist has higher stability on the bicycle and an easier time handling it. The large wheels are useful for overcoming uneven terrain. The riding is more fluid, more comfortable and less exhausting.

Weight 13.8 kg  
Frame Aluminium 6061.T6 double butted  
Fork SR Suntour XCR Air RL-R  
Crank Shimano FC-M4000 40/30/22T  
Front hub Shimano HB-TX505 CL QR  
Rear hub Shimano HB-TX505-8 CL QR  
Derailleurs Shimano Acera M3000 / Deore M592 SGS Shadow

Gears 3 x 9  
Front brake Hydraulic disc Rotor CL 160 mm  
Rear brake Hydraulic disc Rotor CL 160 mm  
Tyres Schwalbe Smart Sam  
Saddle Selle Royal Seta Ladies  
Size XS (14" / 360 mm),  
S (16" / 410 mm)

Order number:

000 050 230BR (14" frame) 1578 EUR

000 050 230BS (16" frame) 1578 EUR

The bicycle is delivered with pedals.

Go for an adventure! | MTB Lady 27

# KID 20

Do you remember your first “proper” bike when you were child? The derailleur clicked and the chain bit into the gear, just like on an adult bike. And the coolest thing was the lever also for the rear brake! We remember that. That’s why we have made Kid 20, the first step to the world of adult cyclists, become part of our portfolio.

To put it simply: the ŠKODA Kid 20 is children-friendly as well as children-proof. Its frame geometry and overall robust design are built around the ergonomics and physique of the youngest cyclists. The result is just the right length, height and sitting. Your child will feel comfortable behind the handlebars and will last long without getting tired.

Weight 9.5 kg  
Frame Aluminium 6061.T6  
Fork Hi-ten rigid  
Crank WheelTop M32 32T  
Front hub ONE KT QR  
Rear hub ONE KT QR freewheel type

Derailleur Shimano RD-FT35D  
Gears 1 × 6  
Brakes Tektro BR-855 V-brake  
Tyres Impac RidgePac  
Saddle Velo Junior  
Size 9" / 230 mm

Order number:

000 050 231D (9" frame) 514 EUR

The bicycle is delivered with pedals.

Visas cenas norādītas ar PVN.  
Cenas var tikt mainītas bez iepriekšēja brīdinājuma.

# KID 16

With Kid 16, little cyclists will enjoy the feeling of freedom... in ŠKODA Motorsport colours, as a bonus.

The ŠKODA Kid 16 bicycle is intended for little cyclists to make their first rides behind these handlebars. Their sense of safety is boosted by the side wheels, which can eventually be removed, allowing the children to become full-fledged cyclists. The alloy frame is supplemented by elegant foam protective elements that improve safety of the youngest racers.

**Weight** 8.9 kg  
**Frame** Aluminium 6061.T6  
**Fork** Alloy rigid Superlight  
**Cranks** Lide DJ521 28T  
**Front hub** KT – A86F paralax alloy  
**Rear hub** Coaster brake

**Gears** 1 × 1  
**Brake** Tektro Alloy V-brake  
**Tyres** Schwalbe City Jet  
**Saddle** Velo Kids  
**Size** 9" / 230 mm

Order number:

000 050 250D (9" frame) 480 EUR

The bicycle is delivered with pedals and side wheels.
